PROSPECTUS 2019 - 2020

THE KALYANI SCHOOL

which every child and parent loves

ABOUT US

Our journey of transforming lives

The Kalyani Group, headquartered in Pune, with its flagship company Bharat Forge Ltd. established in the mid 1960's, is an Indian MNC with high technology engineering and manufacturing capability across critical sectors such as Engineering Steel, Automotive, Industrial, Renewable Energy, Urban Infrastructure and Speciality Chemicals. Guided by the visionary leadership of Mr. B.N. Kalyani, the Group Chairman, there is a strong emphasis on market leadership through technology. With its over 10,000 strong engineering global workforce, the group today is a market leader in all respective business segments. The group takes pride in being at the forefront of a globalising India and in being a hi-tech global brand in the manufacturing industry.

The Kalyani Group strives to be a world-class organisation and a leader in every aspect of its business. Innovation has been the driving force behind the group and is applied across every aspect of the businesses. The 'Spirit of Innovation' fuels the group to aggressively grow business by accessing global markets, to deliver products and services of uncompromising quality and integrity, consistent with the Kalyani brand and image.

In the Kalyani Group, we realize that success in business is deeply rooted in the progress of society. We understand that the spirit behind Corporate Social Responsibility is to involve the corporates with their financial resources, technology speed and managerial competencies in the process of Social Development. The Kalyani Group has taken several initiatives in the fields of education, health, green, energy, community development, sports and employee welfare. Our CSR begins with a safe environment for our employees and extends beyond our boundaries, to educational and community development programs. The group has also received numerous awards like 'India Shining Star CSR Award' and the 'Golden Peacock Award' for its several initiatives in Safety and CSR.

By establishing the 'Pratham Pune Education Foundation' (PPEF), the Kalyani Group began the challenging task of making primary education accessible to the less fortunate. Since its inception in 2000, PPEF has touched the lives of over 1,50,000 children in Pune and has become an important catalyst for providing non-formal education to underprivileged children from 22 communities.

It is the spirit of innovation and commitment to excellence in everything we do, which has been the driving force to provide quality in all of our endeavours.

PROMOTERS

"I am extremely happy that the Kalyani Group has added an institution of creative and innovative learning to Pune that provides an avenue for young minds to experience holistic, well-rounded development."

B.N. Kalyani, Chairman, Kalyani Group

"Our school has a nurturing environment where young minds are moulded to create a positive influence on society"

**Mrs. Sunita Kalyani,
Trustee, Akutai Kalyani Charitable Trust**

"We have established an institution that will have a lasting impact on Pune and its future generations by not only imparting academic knowledge but also by building sound values, strong ethics and a sense of community spirit."

**Mr. Amit Kalyani,
Executive Director, Bharat Forge**

"We have created an environment which is happy and cheerful. Children are respected and have equal opportunity. The school is a community of students, teachers and parents. We aim to make every child blossom to his/ her full potential."

**Mrs. Deeksha Kalyani,
Director, The Kalyani School**

THE STORY OF OUR EMBLEM

The Kalyani School (TKS) stands for leadership on two counts. The school stands out from the competition, by the level of high-quality education it imparts, and its curriculum and methodologies are designed to foster future leaders in every student.

The torch has been the symbol of leadership since time immemorial. Even today the torch is a revered symbol of two important characteristics of humanity - the undying quest for eternal knowledge and the courage to be bold enough to apply that knowledge.

The representation of 'The Kalyani School' as the torch-bearer of modern education is visualized in the logo.

The tagline 'Akshayam Gyanam' means eternal knowledge, which represents the undying quest for knowledge that has been a hallmark of the brightest of humanity. In this way, the symbol of the torch and the tagline are synergized, through their common goal of attaining eternal knowledge. The learning one takes from the school will remain with them for a lifetime, i.e. eternity.

Sanskrit is the chosen language for the tag line, as it is more than just a language; it is a symbol of knowledge, education, and enlightenment.

School Model

- 1. Canteen
- 2. Central Courtyard
- 3. Sports Complex
- 4. Main Entrance
- 5. Bus Parking
- 6. Separate entrance to Primary classes
- 7. CPA

VISION

To become a beacon of excellence in the teaching-learning process by nurturing an environment built on ethics and values. To provide vast, well-equipped learning spaces to optimize each student's potential. To continuously evolve to manage change.

MISSION

To provide a harmonious, stimulating learning environment that inspires all to strive for excellence and emerge as responsible citizens.

CORE VALUES

The values we wish to inculcate

INDIVIDUALITY

Develop a unique thought process and respect for oneself

SINCERITY

Inculcate an honest approach towards life

DIGNITY

Dignity of labour and commitment towards work

EQUALITY

Treat everyone with equal importance

EMPATHY

Be considerate towards others

- Safety and Security Officer to monitor students' safety and well-being
- State-of-the-art infrastructure and facilities
- New-age classrooms
- Flexible seating
- AV learning facilities
- Association with The Shri Ram Schools to bring in their best practices

BRIEF ABOUT THE SHRI RAM SCHOOL

“Our esteemed academic associates”

THE SHRI RAM SCHOOL

The Shri Ram School is a co-educational, private school in India, founded by Mrs. Manju Bharat Ram, in July 1988, under the aegis of SRF Ltd. and now the SRF Foundation. Mrs. Manju Bharat Ram, founder and chairperson of The Shri Ram School, was conferred a Padmashri posthumously for her valuable contributions to social work. The Shri Ram School has three campuses spread across the National Capital Region of India and it has been in the education field for the past 30 years and has consistently been rated amongst the top 5 schools in the country for the last ten years.

In spite of being an English medium school, Indian culture is highly valued and is strongly inculcated in the students. It is one of the most sought after schools in the country and is also recognized for its academic excellence. It is consistently ranked as not only the top 4 schools in India, but also amongst the top schools of the Indian background in all of Asia, Europe and the United States of America, including embassy schools in other countries and ISC schools across the globe. It is run by one of the oldest business families in India - the Bharat Ram family, who are a part of the Bharat Ram family, which run institutes like Lady Shri Ram College and Shri Ram College of Commerce.

It is one of the only few schools in India that offer the IC Curriculum along with an Indian Board curriculum. Children of influential business figures, politicians, designers, actors, sports figures, academicians, economists, writers, artists, diplomats, lawyers, journalists and various other fields have for many years been the alumni of this school. The school also boasts of one of the highest rates of acceptance into top tier universities and institutions within Indian and other countries across the globe.

PHILOSOPHY

The Shri Ram Schools are progressive, secular, child-centered, co-educational, private schools, committed to providing quality education for all their students, the philosophy rests on the interpretation of 'education drawing forth what already exists'.

Inclusive education is a pairing of the philosophy and pedagogy with the aim of ensuring that no child, however different from expectations feels alienated or inadequate. Each child must feel confident of himself or herself and feel respected and anted for what he o she is.

Teaching-learning takes into account differences in strengths and weaknesses. Children of The Shri Ram School are sensitized to accept and respect differences. This gives all children a chance to grow as individuals and to realize their own potential to reach their goals.

Teaching Methodology

“We help unleash the potential within every student.”

The contemporary and unique curriculum of The Kalyani School (TKS), is a blend of the best in National and International curriculum.

The whole curriculum seeks to actualize the potential of each student, by equipping him/her with the necessary skills to prepare him/her to face life's challenges with Courage, Conviction and Confidence.

The school offers a child-centric education that is both interactive and experimental. The teaching methods are a diverse mix of the most recent innovations in education and tutoring research. Teachers act as facilitators and guide the students using activities, audio-visual stimuli, projects and presentations.

Pre-Primary:

The curriculum for the Pre-Primary classes (Jr. K.G. - Sr. K.G.) is play-based and child-centered, recognizing the students' multiple intelligences and encouraging creative thinking. A day in the classroom involves structured time, academic learning, with a good balance of free-play, both indoors and outdoors.

Primary and Middle School:

Primary school covers a period of five years from Grade I to V, during which basic skills of all students are further enhanced and higher-level skills are introduced to challenge them and stimulate their interest. Continuing into the Middle School (Grades VI to VIII), the curriculum is designed for students to experience the joy of learning, gain a deep understanding of important concepts, develop research and experimental skills and learn to accept personal responsibility for actions, decisions, and outcomes. Along with developing these essential scholastic areas, the rich and varied co-scholastic programmes at TKS also include exchange programmes, educational trips and community service. Our goal is to help each student to attain their fullest potential, along with the fundamental knowledge and skills that will allow them to function effectively as a participating and contributing citizen of our society.

Secondary and Senior Secondary:

In the Secondary (Grades IX and X) and Senior Secondary (Grades XI and XII) sections, there is greater focus for competitive examinations. However, adhering to the philosophy of child-centric education, learning is still made interesting, using various methodologies like project work and group activities, which also inculcate the values of teamwork.

Some Of The Approaches Used Are:

- Active and Process Based Learning
- Reflective Learning
- Social Learning
- Enquiry Based Learning
- Integrated and Interdisciplinary Learning
- Research and Referral
- Out-of-the-box Thinking

The Kalyani School follows the approaches of Continuous and Comprehensive Evaluation (CCE)), which is a school-based evaluation of students that covers all aspects of a students' development. This method is built into the total teaching-learning process and spread over the entire span of the academic session. It means regularity of assessment; frequency of unit testing; diagnosis of learning gaps; use of corrective measures; retesting; and feedback of evidence to students and parents for their self-evaluation.

FACILITIES

"We offer the best that every student deserves"

Library/Information Centre

To carry forward academic excellence, the school provides a well-stocked library to its students.

Laboratories

State of the art Laboratories, which allow students to apply theoretical knowledge to practical applications.

Learning Terraces

Our Learning Terraces allow our students and teachers to come out of the four walls of the classroom to make the teaching-learning experience more fun and innovative.

Smart Classes

Our classrooms are unshackled learning spaces which have flexible seating arrangement and audio-video facilities for effective learning.

Cafeteria

A fully functional cafeteria, where students and teachers can bond and enjoy their meals.

Medical Infirmary

First-Aid and Medical care is available to the students by a trained and experienced Nurse.

Co-Curricular Activities

"We believe in overall personality development."

We are firm believers that every activity in school life plays a significant role in the development of our students. Hence, co-curricular activities are an essential part of life at The Kalyani School. They help in enhancing the learning process of students at our school. Co-Curricular activities are compulsory activities, which are important for every student to participate in. These activities are designed and balanced with the academic curriculum so that every student gets to learn beyond subjects. With the help of these co-curricular activities, we aim to enhance the social skills, intellectual skills, moral values, personality, and character of our students.

"School is practice for the future life."

Actively participating in the betterment of society through the "Swachh Bharat" initiative

Inculcating the importance of protecting wildlife through the "Kids for Tigers" programme

Promoting fitness and healthy competition through the "Khel Utsav" Inter-school Sports Tournament

Inducing the concept of Bio-Compositing and fostering early business accumen among students

Mad About the Environment, the latest event in the Mad About Series focused on the importance of preserving the Environment

School Amenities

"We ensure our student have a good time while learning"

Sports Complex

An unparalleled 3.5 acre Sports complex with an astroturf field for football, Cricket, and Athletics permitting sports to be played in all weather conditions. Outdoor and Indoor Basketball courts, Skating rink, and Cricket nets. Indoor sports like Badminton, Table-Tennies, etc.

Multi-Purpose/Auditorium

A Multi-Purpose Hall of 4,000 sq.ft. and an Auditorium of 12,000sq.ft. which provides ample spaces for indoor sports, cultural programs and workshops, which develop the all-round skills of our students.

"We believe students active outside the classroom do better inside the classroom"

Play Area For Students

A spacious play area for elementary students with colourful swings and slides, which are not only fun but also help in gross motor and interpersonal skill development.

Activity Rooms

Activity rooms to foster creativity and expand the artistic qualities of our students. The school provides an expansive studio for Art and Craft, Clay, Dance, Music, Theatre and Sports for the better holistic development of the students.

A Central Courtyard

A delightful area representing the life space of the school, which provides an expansive space for assembly, sports and for children to explore, learn and mingle.

School Awards & Achievements

"If you can dream it, you can achieve it."

At The Kalyani School, we are dedicated to maintaining the highest standards of education. Hence, we adopt high-quality learning techniques that help every child to achieve excellence. We are committed to offering a balanced and holistic education that not only prepares our students for succeeding academically but also nurtures them into people who live meaningful lives in the service of others and their surroundings.

With the help of our students and teachers' hard work, The Kalyani School has been showered with multiple achievements in light of its remarkable academic track record, creative and unique extra curricular activities, and excellent results.

"A little progress each day adds up to big results."

Students' Awards & Achievements

"The ones who went above and beyond."

At The Kalyani School, we strive to motivate our students to excel in their life and be early beginners in forging their path to success. While each child is working to be the best version of themselves, there are a few superstars who surpassed everyone's expectations and accomplished some great feats in the world of sports.

We are an institution that believes in overall personality development. We believe that each student needs to follow their dreams. And hence, we've always encouraged them to follow their passion. One of the fields wherein our students have always excelled in, is sports. A plethora of students has won multiple national and international awards, making not only The Kalyani School, but the entire country proud of them.

SAFETY OF YOUR CHILD IS OF PARAMOUNT IMPORTANCE FOR YOU AND FOR US AT THE KALYANI SCHOOL

We take great care to ensure that every student is safe

Some of the steps we are taking for their safety are:

- ☒ CCTV Surveillance – 360 degree monitoring and a central security room
- ☒ Female support staff is preferred
- ☒ Teacher staff-rooms spread through out the school
- ☒ Infirmary and first-aid centre
- ☒ Cameras in school buses with lady attendants
- ☒ School buses drop and pick up children within a secured area,inside the school premises
